

Gilmore & Roberts..... are Katriona Gilmore (The Albion Band) and Jamie Roberts (Kerfuffle). They have released three albums together since 2008 and received much critical acclaim, leading to a tour supporting Fairport Convention in 2011. The Innocent Left has delivered a fresh haul of accolades, including a 'Best Duo' nomination at both the 2013 BBC Radio 2 Folk Awards and 2013 Spiral Earth Awards, a 'Song of the Year' FATEA Award and first prize in the Acoustic/Folk category of the UK Songwriting Contest (both for 'Doctor James').

2014 found Gilmore & Roberts reaching new audiences through tours and festivals in mainland Europe and Canada, as well as taking part in a collaborative project for the centenary of the First World War. The 'Songs For The Voiceless' album also featuring Bella Hardy, The Young Uns and others, was released in October and received glowing reviews.

Conflict Tourism is the fourth album from award-winning duo **Gilmore & Roberts**. Following a year of touring in mainland Europe, Canada, and their native Britain, Katriona and Jamie noticed a common thread running through their latest crop of original songs. Conflict..... whether an internal struggle between positive and negative, or a healthy body and a disease, is an everyday phenomenon captured perfectly by these 11 tracks
