

Publicity Info for Prog - Poets United

From 12.30 – 1.30pm and 3.30 – 4.30pm in the Library 4 – 5 Poets will be performing and the topic will be 'Fen, Folk and Folklore'.

The group has been running for twelve years and provided many poetry performances at local events during that period ie; City Roots, Peterborough Festival, Flag Fen Eisteddfod and Verbal Remedies (a 'fringe' event during the Peterborough Literary Festival) and also lunchtime recitals at St John's Church (Church of Inspiration). We regularly perform in local pubs and clubs, with monthly slots at Charter's Bar but can also deliver great family entertainment - we've performed shows at local schools and colleges.

Several of our members are strongly influenced by the Folk and Roots traditions and we include members of Pig Dyke Molly, several Lincolnshire Folk Poet finalists and five Peterborough Poet Laureats in our line up. Our poetry is as varied as our members but always of high quality. Our members are published poets and active performers and content is always tailored to suit the audience. Our aim is always to entertain rather than on 'high-brow' poetry.
